

Where did *You* graduate from?

The best professional training comes from institutions that not only know *what* to teach, but *how* to teach.

Founded in 2001, MoreSteam.com is the premier provider of online Lean Six Sigma training to individuals and corporations. Our practice-based e-Learning courses combine depth of content, interactive lessons and simulations to provide you with the critical skills, knowledge and confidence you need to succeed.

Visit www.moresteam.com/ad/elearning to see why MoreSteam University graduates are proud of their education. The best Lean Six Sigma training is within your reach.

For corporate licensing information, contact us at +1.614.310.1080 or sales@moresteam.com

MoreSteam has trained over 150,000 Lean Six Sigma professionals for over 1,200 corporate clients around the world. MoreSteam partners with top educational, consulting and industry organizations, including ASQ, University of Notre Dame, and The Ohio State University.
